Marvel interest in bowling began with the beginning of the Kansas WBA. She served the Topeka WBA as a delegate from 1940 – 1946, as its president for six years (1954-1960). As a Charter Member of the Kansas Women's Bowling Association, Marvel has served its members faithfully through the years since its founding in 1940. She has served as Sgt-At-Arms for one year and is currently serving as 1st Vice President of KWBA, having been elected to that office twenty-eight years ago. She also has served our members on all committees.

Marvel's bowling career records consists of a high game of 257, high series of 687, and high league average of 185.

Many times, Marvel shared her talent with the delegates by dancing for BVL, delegates would throw money on the floor as Marvel danced in her wheelchair. Even though Marvel had physical issues her heart was still full of love for bowling and all the state bowlers.
